

WHAT THE EARTH REMEMBERS MUST NOT BE LOST.

# Applications Open REACH Fellowship 2026–27

The REACH Fellowship by Somaiya Vidyavihar University invites passionate young alumni from the Somaiya ecosystem to embark on a transformative journey of field immersion, baseline data collection, community engagement, and comprehensive documentation under the thematic area "Living Systems."

This fellowship offers an opportunity to live, learn, document, and co-create with rural and indigenous communities across India — exploring traditional knowledge systems, ecological wisdom, and living cultural practices.

## Fellowship Highlights

- Residential Fellowship
- 9 months duration
- Monthly support of ₹19,000
- Community engagement at Somaiya Living & Learning Labs
- Skill building and Mentorship Sessions in research, communication and visual storytelling
- Opportunity to contribute to publications, sustainability dialogues & digital archives, field immersion courses

## Fellowship Locations | Project Themes | Residential campus

- Gujarat | Natural Dyeing Systems | Somaiya Kala Vidya
- Karnataka | Traditional Fermented Organics | KJ Somaiya Applied Agricultural Research
- Madhya Pradesh | Anthropomorphism in Gond Art | Madhubhan Eco Retreat
- Maharashtra | Warli Ecocultural Storytelling Traditions | Nareshwadi Learning Centre

## Eligibility

- Alumni from the Somaiya ecosystem
- Postgraduates preferred
- Age limit: 26 years

## Fellowship Begins: July 2026

REACH is not just a fellowship.  
It is a journey of seeking, sensing, and preserving living knowledge.
